GWELLA BYWYD CYMUNEDDOL | IMPROVING COMMUNITY LIFE

You may not think of Ibiza as a Stand Up Paddle boarding destination, but the breath-taking scenery and crystal clear waters make for a truly spectacular SUP experience.

Your Holiday

With the help and advice from Kayak Ibiza we have found the most amazing touring routes for you to enjoy and you may even be lucky enough to spot some dolphins!

There will be a full itinerary of SUP tours, taking in all the best spots on the island, and we will aim to paddle for six out of the seven days and also have one full day of sightseeing on the island.

There will be transport every evening to one of the many restaurants on the island where you can eat for around 15 Euro per person.

As well as SUP, there will also be additional guided activities on offer such as sea kayaking, amazing scenic walks and mountain biking, however these will be at an extra cost.

Dates & Costs

We have two holiday dates available:

- Wednesday 2nd to Wednesday 9th May 2018**
- Wednesday 9th to Wednesday 16th May 2018**

The cost will be £595 per person, which includes accommodation, transfers and transport while on the island, all guiding and SUP equipment.

Flight details will be provided for the trip but it will be your responsibility to book flights. The average cost of flights during this period is around £100 return from Bristol.

Accommodation

We'll be staying at Es Alocs Hostel, a family establishment which is nestled on Es Figueral beach near San Carlos village.

For more information visit their website at www.hostalalocs.com

Weather

The average high temperature in Ibiza during May is 22°C, but don't forget to bring some warmer things for the evenings though as temperatures averagely drop to 13°C at night.
